Wall lamps

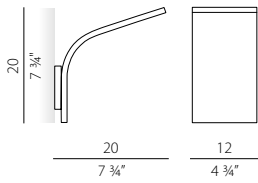

App è una lampada a parete con emissione di luce volta verso l'alto. L'eleganza del corpo in alluminio deriva da un attento studio dei dettagli, tra cui la scelta di grani a scomparsa per il fissaggio che donano al prodotto un aspetto ancora più minimale.

App is a wall lamp with upward light emission. The elegance of the aluminum body derives from a careful study of details, including the choice of hidden grub screws for fixing the backplate that give the product an even more minimal look.
