Suspensions

Roma rappresenta un prestigioso connubio tra classicità e modernità. La sapiente unione di forme che evocano il passato, materiali raffinati e tecnologie contemporanee crea un prodotto senza tempo, in grado di esaltare la texture del vetro cattedrale attraverso una luce morbida e diffusa. La versione a sospensione con tige rigida nobilita e arricchisce gli spazi in cui è inserita con carattere ed eleganza.

Roma represents a prestigious blend of classicism and modernity. The clever combination of shapes that evoke the past, refined materials and contemporary technology creates a timeless product that enhances the texture of cathedral glass through soft, diffused light. The suspension version with rigid tige ennobles and enriches the spaces in which it is placed with character and elegance.
