Suspensions

La precisione industriale incontra l'unicità del fatto a mano del vetro soffiato opale, in un prodotto che diffonde una luce morbida e uniforme. La declinazione a sospensione è arricchita dal dettaglio del doppio cavo di alimentazione in colore rosso.

Industrial precision meets the uniqueness of the hand-made opal blown glass, in a product that diffuses a soft and uniform light. The suspension version is enriched by the detail of the double power cable in red color.
