Suspensions

Bella è la dematerializzazione del design, un disco di luce dal carattere contemporaneo che offre alte prestazioni in uno spazio minimo. La versione a sospensione si presta a composizioni lineari o a cascata, con emissione verso il basso o verso l'alto per l'illuminazione del soffitto.

Bella is the dematerialization of design, a disc of light with a contemporary look that offers high performance in a minimum space. The suspension version lends itself to linear or cascade compositions, with direct or indirect upward emission for ceiling lighting.
