Suspensions

La magia della luce vibrante e raccolta di una candela. L'accoppiamento di vetro borosilicato trasparente e satinato reinterpreta la classicità delle sospensioni di un tempo in chiave attuale, installazioni custom di grandi dimensioni creano emozionanti atmosfere da fiaba.

The magic of the vibrant and intimate light of a candle. The combination of transparent and frosted borosilicate glass reinterprets the classicism of the suspensions of the past in a modern key, large custom installations create impressive fairy-tale atmospheres.
